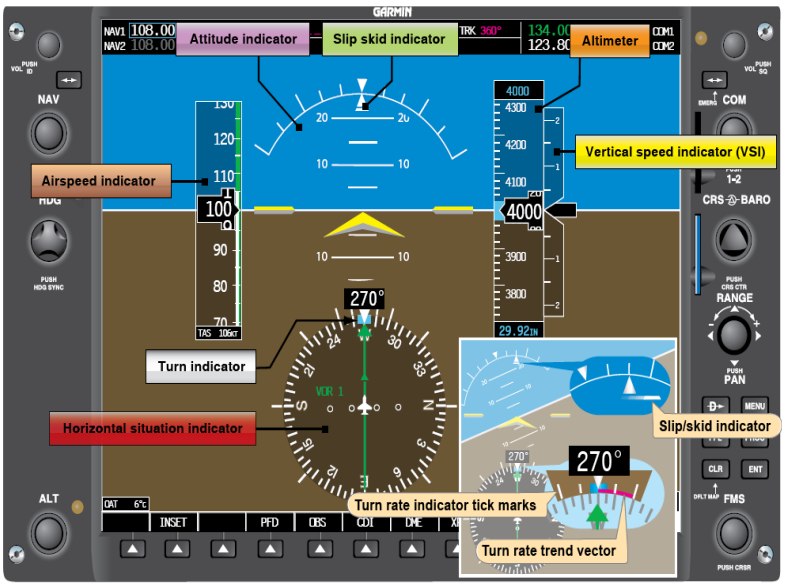
# INSTRUMENT PILOT GROUND SCHOOL

## Held at Various Locations in the North & West Chicago Area



This is a fast paced course covering all you need to know to pass your Instrument Airplane Knowledge Test with a high score. Classes are held at several airport, park district and conference center locations. They meet weekly in the evening for ten consecutive Thursday evenings from 6:00 PM to 9:00 PM. Tuition is $295.00 payable in advance to reserve your seat. Success is guaranteed. Virtually 100% of the instrument rating candidates completing this course over the past fourteen years have passed the Knowledge Test on their first try. This class is also open to Instrument Rated Pilots seeking to maintain & improve their skills through continuing education. For more information call (or text) Joseph J. Zubay @ (847) 736-9696.
